

BROOKHAVEN BRIEF - Week #4 July 22-26, 2024

The first 4 weeks of camp has been amazing. This week, like the previous three, was filled with fun, friends and family. The campers and staff alike have had a fantastic time and are looking forward to the next 4 weeks. We are, of course, sad to see many of our friends leave us for new adventures with their family, but we are anxiously waiting to greet old friends from past years and welcome new friends to our BROOKHAVEN FAMILY.

What did we do this week? We watched our staff have hilarious fun competing in wacky games. All of our shows were fantastic and we had standing room only crowds of parents, grandparents and friends, Let's applaud our campers and specialists, Ari, Grace and Natalie!

This week's trips were:
